PROGRAMME OUTLINE:

Jesus Youth International Leaders' Training 2011 (JYILT '11)
Dates: 26 June 2011 to 09 July 2011
The Redemptorist Center, Pattaya, Thailand

• **Context:** Our movement is growing globally but we don't have any platforms to train and equip our key leaders to facilitate this growth. We do have retreats and growth retreats – many of our leaders are forced to take key responsibilities without getting any training to do so. This affects them personally and the quality of the work that they do. This is the 4th year of International Leaders' Training and it has produced a lot of fruits globally in the last years.

• **Participants:** This training is meant only for key leaders. The participants need to be the decision makers in their region (not in a prayer group – at least in their region) and future key leaders for their country/Internationally – also we can have members of present/past Regional/National/International teams who act in a decision making role.

• **Content:** Leadership, Biblical leadership, Integrity in the life of a JY leader, Using charisms for Ministering, Bible and Catholic Apologetics, Knowing the vision and working style of the movement in depth, Today's Youth and Youth Ministry, Planting and building youth ministry, Developing Leaders around you, Discipling, Setting priorities and managing time effectively, Communication Skills and Listening, Leading worship, Organising, convening and animating small group/service team meetings, communication and documentation, etc.

• **Selection of participants:** Only through the National Teams – please find suitable participants for this training so that your country and the entire movement will be benefited. The JYILT Co-ordinating Team will make the final decision after seeing the biodata of your recommended participants. The maximum number of participants will be 30.

• **Registration Fee:** 12,000 BAHT
